## **AccountEdge**

AccountEdge has been in continual development for Mac since 1989 and as a result has a broad set of features.

AccountEdge is great for service, wholesale, retail, construction or creative people and is serious Mac accounting software designed for non-accountants.

### **AccountEdge Features**

- Accounting
- Sales
- Purchases
- Inventory
- Time Billing
- ecommerce
- Payroll
- Contact Management

If your client asks if they can do accounting on a Mac, the answer is "Yes, with AccountEdge."

### **Key customer benefits of AccountEdge**

- Cross platform company files
- Free accountant copy
- Free email support
- Integrated online or desktop payroll processing
- Integrated credit card processing
- Network of local experts

### **Working with Accountants**

We offer any professional accountant a free copy of AccountEdge for either Mac or Windows. Since the company files are cross platform compatible, any accountant can open and edit any AccountEdge file.

# Checkout Point of Sale
